3.3.1

Institution has created an ecosystem for innovations including Incubation Centre and other initiatives for creation and transfer of Knowledge

Kumaun University's strategy for knowledge creation, transfer, and management includes several innovative practices:

Research Projects, MOUs, and Patents

Kumaun University is deeply involved in research across various faculties, with sponsorship from organizations such as DST, BPCL, NMSH, DRDO, UCB, DST-Women Scientists, INSPIRE, MOES, DST-SERB, and UNNAT BHARAT ABHIYAN. Till date, the University has secured 18 patents and signed 36 MOUs to foster high-quality research collaborations.

Innovation and Incubation Cell Activities

An ecosystem for innovations provides a conducive environment for collaborative research between academia and industries through industrial need-based research and development activities. The Innovation and Incubation Centre (KUIIC) regularly organizes seminars, symposia, workshops, and conferences to facilitate knowledge sharing and transfer. Noteworthy events include a workshop on IPR and IP management for startups held on 30th May 2023, and the celebration of National Science Day on 28th February 2023 by KUIIC in collaboration with UBA and the R&D Cell. On 14th November 2022, KU IIC and Unnat Bharat Abhiyan Cell conducted a field visit to Saur Inter College for problem identification.

Other Initiatives

Kumaun University also engages in several other initiatives to enhance research and innovation:

- Collaboration with industry and alumni in the Board of Studies.
- Workshops focused on quality-related themes.
- Industry interactions and collaborative research projects.
- Awareness programs for faculty members, research scholars, and PG students.
- Provision of excellent infrastructural facilities for research.
- Unrestricted access to comprehensive library resources.
