Dear Sir/Ma'am,

Sub: Invitation for a lecture by Dr. Shekhar Pathak Ji and Art /Craft Exhibition on 18th November 2016 at 11.00 Am

The Department of Management Studies, Kumaun University Campus, Bhimtal, is pleased to announce the 5th edition of CANVAS – Shades of Talent 2016 - an event that explores, recognizes and refines the creativity of youth in Kumaun region of Uttarakhand, Bhimtal. The annual fest seeks to integrate the talent, skills, analytical abilities, physical capabilities, mental brilliance and 'everything' that would help unearth the hidden and the unknown personality traits and capabilities of youth in Uttarakhand.

CANVAS is a blend of enthusiasm and experience. 'Experience' is important in providing necessary guidance and other inputs to put enthusiastic youth on track. The event provides a platform for these people to come together and create synergy in all walks of life. This is also an opportunity for us to identify the limitations of our youth in the region. This exercise would enable all of us to work on the weaknesses and convert the same into strengths.

The inaugural session of CANVAS in 2012 witnessed the participation of almost 350 students from 15 schools and 10 institutions of higher learning. 700 students from 28 institutes (including schools and colleges) took part in the second editions. The 3rd edition in 2014 witnessed the participation of almost 800 students from 32 institutes (including schools and colleges). The 4th edition CANVAS 2015 was remarkably successful in terms of scale and participation. For the first time CANVAS was organised for 3 days; one for schools, one for colleges and day three for different events dedicated to society and people. More than 1300 participants from different institutions participated and showed their talent. The event was a huge success. This would not have been possible without the support of our esteemed sponsors.

This year we will be dedicating this three day fest to the martyrs of the nation who lost their life to help us to breathe in free and liberal society. Apart from routine college and school specific events this year we will be organising a Marathon to showcase our solidarity with the families of soldiers, art and craft gallery preceded by the lecture of eminent historian and Padamshree award winner Shri Shekhar Pathak Ji and a cultural evening for paying homage for all those who lost their life.

Dr. Shekhar Pathak will deliver a lecture on Uttarakhand culture, history and tradition. It is a huge opportunity for us to be a part of experience sharing session of Shri Shekhar Pathak ji which he has gained in decades of field work that he has done in remote and accessible area of Uttarakhand. We invite you to be part of his lecture on 18th November 2016 at 11 a.m. The venue for the same is Department's Auditorium.

Respected Sir,

Subject: Invitation for CANVAS-Shades of Talent...2019

The **Department of Management Studies**, Kumaun University Campus, Bhimtal, is pleased to announce the 7th edition of *CANVAS-Shades of Talent...2019* - an event that explores, recognizes and refines the creativity of youth in Kumaun region of Uttarakhand. This is also an opportunity for us to identify the limitations of our youth in the region and work upon it in the future.

Since its inception, CANVAS has witnessed six successful editions having different themes each year. "CANVAS" exhibits societal issues that require urgent attention. All the earlier editions have been a huge success with participation of more than 1000 students in each edition. This year's, like previous editions, department along with its media partner **AMAR UJALA** has come up with the theme "**Get High on Life, Not on Drugs**". The main objective is to create awareness about the escalating issue of drug use among youth of the Kumaun region. The event through its various programs will highlight the adverse effects of drug use and various ways in which this can be minimized. We believe that 'awareness' is an essential prerequisite in fighting drug menace.

You are cordially invited to be an integral part of this three day mega event as an esteemed sponsor. It will be our pleasure to host you. The details of events are as follows:

Subject- 'A run for a drug free society' Half Marathon on 22nd November 2019

Dear Sir,

Department of Management Studies every year organizes a management fest *Canvas-Shades of Talent*, a three-day event that nurtures the talent of youth of the region. The second day of the event is dedicated to a social cause. This year theme of Canvas is "Get High on Life Not on Drugs" for generating awareness regarding drug abuse among youth in our region. For this we are organising a Marathon in different categories (5kms, 10kms and 15kms,). It would be a great pleasure if you could ask different schools to send their students from athletic background to come and run for social cause as per the schedule.

Date: 22nd November 2019
Time: 7:15 AM
Venue: Department of Management Studies

I shall be thankful for your cooperation.

Subject: "CANVAS" Shades of Talent 21st - 23rd November 2019
"D.E.A.D. (Drugs End All Dreams)"

Department of Management Studies, Faculty of Management, Kumaun University Campus, Bhimtal, is pleased to announce the 7th edition of 'CANVAS-Shades of Talent', CANVAS, 2019 - an event that explores, recognizes and refines the creativity of youth in Kumaun region of Uttarakhand. The annual fest seeks to integrate the talents, skills, analytical abilities, physical capabilities, mental brilliance and 'everything' that would help unearth the hidden and the unknown personality traits and capabilities of youth in Uttarakhand.

CANVAS is a blend of enthusiasm and experience. 'Experience' is important in providing necessary guidance and other inputs to put enthusiastic youth on track. The event provides a platform for these people to come together and create synergy in all walks of life. This is also an opportunity for us to identify the limitations of our youth in the region. This exercise would enable all of us to work on the weaknesses and convert the same into strengths.

The inaugural session of CANVAS in 2012 witnessed the participation of almost 350 students from 15 schools and 10 institutions of higher learning. 700 students from 28 institutions (including schools and colleges) took part in the second edition. The 6th edition of CANVAS 2017 was remarkably successful in terms of scale and participation. For the first time CANVAS was organised for 3 days; one for schools, one for colleges and day three for different events dedicated to society and people. More than 1600 participant from different institutions participated and showed their talent. The events were a huge success. This would not have been possible without the support of our esteemed sponsors.

Like every year this year too CANVAS is targeting a specific theme that is of social relevance. As we all know drug addiction is one of the biggest hurdles for the overall development and growth of humanity. Students of the department have committed to make society free from drug addiction. Keeping this noble thought in mind theme of CANVAS, 2019 is "D.E.A.D. (Drugs End All Dreams)". We are delighted to tell you that Amar Ujala, a leading newspaper in the Hindi-speaking belt of India has given its consent to be our media partner so that this idea can be floated nook and corner of Uttarakhand and outside.

I am delighted to invite you to sponsor CANVAS 2019. This is an opportunity to be associated with the youth of the region. Your financial support and guidance will enhance the enthusiasm and morale of the students immensely. Your support and presence would certainly provide inspiration to all of us, and I firmly believe that together we can channelize the talent and power of the youth for meaningful purposes. The contribution can be made through account payee cheque/ Demand Draft/ RTGS to the following account:

Account Name: Student Council, DMS Bhimtal

Account Number: 6435000100023022
