## Minutes of the Meeting of Board of Study (BOS) Geography of Kumaun University, Nainital

In the compliance of the order of the Vice Chancellor, letter No Afil/BOS/Geography/2020-21/76 dated 22/07/2021, an on line meeting (<https://meet.google.com/gku-egzi-zcf>) was held on 28 July 2021 at 11.30 am.

The subjects for discussion were as follows:

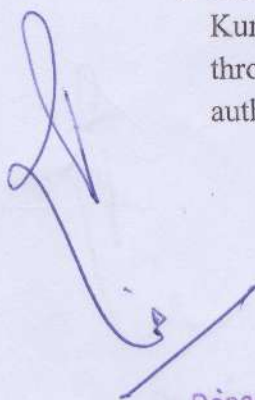

1. Syllabus of proposed one year diploma in Eco-Tourism, submitted by Department of Geography, M B Govt P G College, Haldwani.
2. Syllabus of proposed 6 month PG diploma in Geographical Information System, submitted by Department of Geography, M B Govt P G College, Haldwani

The following members of BOS participated in the meeting:

- |  |          |
|--|----------|
| 1. Professor Ravindra K Pande, Kumaun University, Nainital,  | Convener |
| 2. Professor S C Rai, University of Delhi, Delhi.  | Member   |
| 3. Professor M S Negi, HNBGU, Shrinagar  | Member   |
| 4. Professot V KTripathy, BHU, Banaras   | Member   |
| 5. Professor P C Tewari, Kumaun University, Nainital   | Member   |
| 6. Professor R C Joshi, Kumaun University, Nainital  | Member   |
| 7. Dr B R Pant, Principal & Head Department of Geography<br>M B Government PG College, Haldwani (Nainital) | Member   |

Both the syllabuses were thoroughly discussed in the meeting and the following suggestions were made by the BOS:

1. Syllabus of proposed one year diploma in Eco-Tourism.
  - a. The title of the course should be "Diploma in Tourism"
  - b. Financial support is required to run the programme, therefore self-finance fee norms of Kumaun University should be adopted. For this the Head, Department of Geography through Principal, M B Govt P G College Haldwani, should request the competent authority.

Head  
Department of Geography  
Kumaun University  
NAINITAL - 263 002

- d. The significance of the course should be clearly defined as an age old Department of Tourism is already running in Kumaun University, Nainital.
- e. The syllabus is required to be restructured, e.g., Components of Fundamentals of Tourism and Types of Tourism should be included.
- f. Syllabus is to be developed on CBCS pattern with two semesters.
- g. More focus is to be given on professional aspects in comparison to theoretical parts. For example field study and Internship must be the integral part of the syllabus.

The BOS recommended that after making the modifications on the basis of the above mentioned suggestions the modified syllabus should be submitted to the Convener BOS Geography, Kumaun University, Nainital for approval.

2. Syllabus of proposed 06 months P G diploma in Geographical Information System.

- a. The learned members of BOS suggested unanimously that the syllabus is to be deferred for next BOS as the syllabus developed is ambiguous and not properly designed. It lacks the seriousness of a professional approach to prepare a syllabus on such an important subject.
