Nainital.

Prof. Pandey, cordially welcomed all the distinguished guests, students, faculty, and staff members to the workshop. She gave a concise introduction about the workshop and encouraged the participants to build their careers in different areas including research, innovation, teaching, and business which can be rewarding not only to them but also to the community.

The participants were then addressed by the eminent guest Prof. Amit Joshi, Head, Department of Management Studies, Bhimtal. In his presentation, Prof. Joshi effectively talked about the basic definition of entrepreneurship, while discussing the key requirements to become a future entrepreneur. He encouraged the students to follow their passions and invest in their skills and dreams. He made the workshop very interactive by positively sharing his views on becoming successful in life by believing in your dreams and following your passion with whatever you do. He concluded his talk by motivating students to get new ideas to innovate new technologies which can benefit them as well as society.

The lecture session ended with vote of thanks to all the attendees from Ms Akansha Sanwal, M.Sc. student from Dept. of Biotechnology, Bhimtal.
