Executive summary

Dr. Shivani Rawat, from the Department of History, hosted the program, ensuring its smooth execution. The workshop garnered additional support from esteemed faculty members including Dr. Bhuvan Sharma, Dr. Manoj Bafila, Dr. Hardesh Sharma, and Dr. Kritika Bora, collectively contributing to the event's success. The day unfolded with a series of engaging sessions, designed to immerse students in the art of crafting insightful book reviews. Prof. Neeta Bora Sharma, in her opening remarks, highlighted the relevance of analytical skills in comprehending and critiquing historical literature. The interactive nature of the workshop facilitated a dynamic exchange of ideas, as students delved into discussions guided by their academic mentors. The workshop's agenda covered various facets of book reviewing, from evaluating historical methodology to deciphering nuanced narratives. Prof. Sanjay Ghildiyal's expertise provided a guiding light for students navigating the complexities of historical analysis, fostering a deeper understanding of the subject matter.

Dr. Shivani Rawat's adept hosting skills ensured that the workshop maintained a vibrant atmosphere, conducive to learning. Her coordination with the supporting faculty members allowed for a seamless integration of diverse perspectives, enriching the educational experience for the students.

As participants engaged in lively discussions and practical exercises, the workshop served as a platform for students to cultivate critical thinking and analytical skills. These skills, deemed essential for academic and professional growth, were at the forefront of the educational initiative. The celebration of Kumaon University's 50th anniversary was undeniably enhanced by this educational endeavor. Beyond the jubilant festivities, the workshop contributed to the university's broader mission of instilling a spirit of academic excellence at the DSB Campus in Nainital.

In retrospect, the success of the one-day workshop lies not only in its immediate impact on students but also in its potential to resonate throughout their academic journeys. Kumaon University's Department of History played a pivotal role in shaping the next generation of critical thinkers and historians by empowering students with the tools to analyze and critique historical works. As the echoes of the 50th-anniversary celebrations reverberate through the halls of the DSB Campus, the legacy of the workshop persists—a testament to Kumaon University's enduring commitment to nurturing intellect and fostering a culture of academic excellence.

Purpose of the event

Kumaon University celebrated its 50th anniversary with a range of events, including a one-day open workshop by the Department of History. Led by Prof. Sanjay Gildhiyal, the workshop aimed to enhance students' analytical skills through the exploration of book reviews, underscoring the university's commitment to academic excellence.

The workshop sought to cultivate students' analytical abilities, crucial for their academic and professional growth, by delving into the art of crafting insightful book reviews. By engaging in dynamic discussions guided by academic mentors, students were encouraged to critically analyze historical literature, fostering a deeper understanding of the subject matter.

Conclusion

The workshop proved to be a valuable experience, offering diverse perspectives on completing literature reviews across various fields. This multifaceted approach significantly enhanced students' critical and analytical thinking skills. The attendees, drawn from different backgrounds, found common ground in the shared exploration of literature review methodologies. The exchange of ideas and expertise not only enriched the workshop but also fostered a sense of community among scholars. In essence, the session's success lay in its ability to cultivate a dynamic learning environment, where the amalgamation of insights contributed to the overall development of participants. The Department of History looks forward to future collaborations, building Page 8 of 16 on the success of this workshop to further nurture the academic growth of its students and foster a spirit of continuous learning within the scholarly community.

Progress Report

World Environment Day (June 5, 2023)

On the occasion of **World Environment Day**, a seminar and "**Millet Food Fair**" was organized at the DSB campus of Kumaon University. The event was organised by the Department of Chemistry in association with Nehru Yuva Kendra, Nainital.

Professor Chitra Pandey, head of the Department of Chemistry, in her presidential address called for increasing the interaction of science with the environment.

Professor Pushpa Joshi, as a subject expert, addressed the gathering. Apart from the market, she explained the nutritional properties of other coarse grains like Jowar, Ragi, Sava, Kangni, Kodo, Kutki and Cheena, and the environmental benefits of their crop. At the same time, Professor Sehraj Ali also expressed his views about starting a campaign by the public at large on its own for the environment and its protection.

The program was conducted by Dr. Deepshikha Joshi. District Youth Officer, NYK Nainital, Mrs. Dolvi Tewatia informed that the United Nations General Assembly has declared 2023 as the **International Year of Millets**. The main objective of the programme is to increase the production and consumption of millets and create awareness. Apart from having a lot of health benefits from coarse grains, millets are also good for the environment with less water and our requirement.

Mrs. Dolvi also introduced the Nehru Yuva Kendra and its works in front of the participants present. She also drew everyone's attention to "**Mission Life**" and how we can change or restrain our lifestyle keeping environmental protection in mind.

Prof. Chitra Pandey and Mrs. Dolvi thanked everyone for the successful organization of the program. Mrs. Dolvi also felicitated the speakers with mementos. In her vote of thanks, she said such programs should continue to take place so that awareness on sensitive issues like environment continues.

Dr. Suhail Javed, Dr. Mahesh Chandra Arya, Dr. Lalit Mohan, and Ms. Aanchal Aneja were present during the entire program.

Students of MSc and BSc courses participated in the program enthusiastically.

Report of Earth Day 22 April 2024

On the 22nd of April 2024, in celebration of Earth Day, an event was organized in the Department of Botany, D.S.B. Campus, Nainital involving the planting of *Pheonix dactylifera* trees, led by a chief guest and head of the department, Prof. S.S. Bargali. The event aimed to promote environmental awareness and contribute to reforestation efforts. The Visiting Professor Director, Prof. Lalit M Tewari and the Head of the Department of Botany, Prof. S. S. Bargali addressed the participants. The theme of this year's Earth Day focussed on the topic of "Planet vs Plastic". The keynote speaker, Prof. S. S. Bargali brought to attention that plastic is extremely toxic to the environment and takes more than 400 years to degrade and adversely affect the edaphic factors. The use of plastic has wreaked havoc on our environment and we must focus on replacing plastic with natural biodegradable alternatives. Prof Lalit M Tewari further emphasized the topic adding that we must reduce and refuse the use of plastic. Additionally, participants were encouraged to reduce their use of plastic and were provided with resources and tips on how to do so. Both speakers emphasized the importance of sustainability and the long-term benefits of planting trees.

Feedback from participants was overwhelmingly positive, with many expressing appreciation for the opportunity to contribute to the environment. The event was a great success, as evidenced by the enthusiasm and dedication of those involved. In conclusion, the Earth Day celebration and planting event served as a valuable opportunity to promote environmental awareness and sustainability within the community. It is recommended that similar events be held in the future to continue fostering a sense of responsibility toward the planet.

Following the speeches, the attendees, including faculty, students and staff members, joined in the date (*Pheonix dactylifera*) tree planting process. The planting ceremony took place in the garden surrounding the department. In participation were faculty members, Prof. Kiran Bargali, Prof. Sushma Tamta, Prof. Neelu Lodhiyal, Prof. Anil K Bisht, Dr. Kapil Khulbe, Dr. Naveen C Pandey, Dr. Hem C Joshi, Dr. Harsh K Chauhan, Dr. Prabha Pant and Dr. Himani Karki. Many research scholars and post-graduation students from M.Sc 2nd and M.Sc 4th were also in attendance with a total of 50 participants including Vasundhra Lodhiyal, Pranjali Tewari, Lata Nitwal, Astha Mehta, Bhawna Pandey, Richa Joshi, Vaishnavi Suryavanshi, Isha Rathore and Gursahiba Kaur to name a few. The group participated in the plantation of date trees, which are expected to contribute to carbon sequestration, soil conservation, and habitat creation in the area. Plantation activities like such are held to engage participants in discussions about environmental conservation. Further, the participants were encouraged to continue fostering a sense of responsibility towards the planet and to encourage the reduction of plastic use.

Report on National Science Day, 2024

National Science Day was celebrated in Kumaun University Programme February 28, 2024. The event aimed to celebrate the spirit of science and commemorate the discovery of the Raman Effect by Sir C.V. Raman on February 28, 1928. The program was jointly organized by KUIIC IQAC and Visiting Professor Directorate at UGC Hermitage Conference Hall. Our primary objectives for the event were:

- 1) Promoting scientific temper and fostering a love for science among all the listeners present there
- 2) Showcasing the significance of scientific discoveries and innovations in addressing global challenges.
- 3) Encouraging dialogue and collaboration among scientific communities.

A science quiz competition was organized a day before i.e on 27th February 2024 in D.S. B Campus, Nainital to celebrate the science day.

Highlights of the Programme:

- The inauguration ceremony begins with a lamp lighting by our Hon'ble Vice Chancellor, Prof. Diwan Singh Rawat, the keynote speaker of the day, Prof. Rup Lal (INSA Senior Scientist), the guest of honor, Dr. Rajendra Dobhal (Vice Chancellor Swami Rama Himalayan University), the Director of Campus, Prof. Neeta Bora Sharma, and the Dean of Science, Prof. Chitra Pande. After that, Prof. Lalit Tewari addressed all the dignitaries on stage, requested them to take their seats, and gave a brief introduction of them to welcome them all.
- Prof. Chitra Pande invited the Hon'ble Vice Chancellor, Prof. Diwan Singh Rawat, to step onto the dais and share his experiences on the occasion of National Science Day. Prof. Diwan Singh Rawat addressed the students, recounting one of his stories about the incorporation of Raman Spectroscopy in undergraduate studies. He imparted valuable insights into the role of science in our day-to-day lives. The primary objective of their discourse was to enlighten the audience and students about the transformative power of hard work, dedication, and commitment. The narrative emphasized how these qualities propel individuals to achieve great heights in their lives.

- After that, Prof. Lalit Tewari invited our keynote speaker, Prof. Rup Lal, to share his views on this Science Day occasion. Prof. Rup Lal delivered an engaging and informative lecture about the interplay between science and society, aligning with the theme of the 2024 National Science Day, "Indigenous Technology for Viksit Bharat". He illustrated his points with various examples, elucidating the progress of Vikshit Bharat, particularly in Uttarakhand since the 1990s. Prof. Lal ignited a discussion on the pivotal role of science in our lives, touching upon topics such as AI, IT technologies, and self-driven cars. He also highlighted significant technological achievements, such as the inauguration of the Ayodhya Ram Mandir, as a testament to the advancements in technology. Furthermore, he delved into the role of science and technology in home automation, digitalization, and the vision of a cashless India. Providing concrete examples, he painted a vivid picture of Vikshit Bharat, citing projects like the Atal Bihari SETU, a 21.8 km, 6-lane elevated highway bridge connecting Mumbai with Navi Mumbai. Prof. Rup Lal inspired the students by showcasing the success stories of Indian CEOs on the global stage and mentioning the achievements of alumni from KU, who have excelled both in India and abroad. He emphasized the importance of faith in God, attributing the omnipotence to divine powers. Concluding his discourse, Prof. Rup Lal touched upon microbial literacy, stressing the dominance of microbes on the planet. He highlighted the gut-brain connection and advocated for a healthy lifestyle to nurture beneficial microbes for overall well-being.
- After that, Prof. Ashish Tewari, Director KUIIC addressed Dr. Rajendra Dobhal to provide insights into the role of science and technology. Dr. Dobhal elaborated on the true meaning of Vikshit Bharat, emphasizing the existence of specific criteria or international standards, comprising 58 different parameters for Vikshit Bharat. He suggested ideas for harnessing traditional knowledge, advancing diagnostic machines, and promoting the transplantation of solar energy industries. Additionally, he urged the audience to prioritize Ayurveda science, elucidating the concept of multifaceted targets in a single medicine. Dr. Dobhal delved into the correlation between naturally occurring drugs and synthetic drugs, highlighting their respective roles. He also discussed the significance of science in maintaining a balanced diet and explored the traditional knowledge embedded within the Indian food system and various cultures.
- After the talks by all the guests concluded, there was a prize distribution ceremony for the quiz competition that was held on 27th February 2024. The ceremony honoured the winners of the science quiz who demonstrated exceptional knowledge and skills during the competition, fostering a spirit of academic excellence and healthy competition among the students.
