CORRIGENDUM

It is hereby notified that in the Annual Quality Assurance Report (AQAR) of Kumaun University, under the matrix 2.5.3 relating to evaluation process, the words “scrutiny or revaluation” have been wrongly typed.

The correct reading should be understood as:

“...provisions for scrutiny...”

The term “revaluation” was inadvertently mentioned, being synonymous in usage to the prior word, but the University provides for scrutiny of answer scripts only, and not revaluation.

This corrigendum is issued to ensure clarity and shall be read as part of the AQAR document.

Additional Director, Ad. Director
Internal Quality Assurance Cell (IQAC),
Kumaun University, Nainital.
